Microsoft Azure is Hiring!
Hyderabad

Summary

At our core, Microsoft is the productivity and platform company for the mobile-first and cloud-first world. We will reinvent productivity to empower every person and every organization on the planet to do more and achieve more.

The Global Talent Acquisition team at IDC, hires the best talent from the technology world. We are hiring for engineering roles across different business groups and locations.

- If you want to be part of the fastest growing team in IDC and aspire to make Office applications more productive for millions of users who use them daily, then the, Office India Program Manager team should interest you.

#ProductManagement

- At our design team Stuido 91, projects usually start from scratch and require both conceptual and detailed design thinking. If you have passion for customers and creating great product experiences, there is no better place than this. #UXDesign

- Engineers interested in working for one of the most exciting teams at Microsoft and in a start-up like environment. Someone who is passionate about cloud computing technology and keen on building the next billion dollar business .Then look no further than the Azure team. #Azure
